Origin of Diving

Diving developed in Europe as a result of the popularity of gymnastics. In the summer months, gymnasts would practice their acrobatic feats over water in front of appreciative crowds. This led to diving being recognised as a sport in the nineteenth century.

Diving Today

Diving today is a very popular sport with up to 40 countries participating at the international level. In addition to the Olympic Games, Diving is also takes place at the World Championships every two years, alongside Swimming, Synchronized swimming and Waterpolo. The Diving World Cup is also held every two years. The Junior World Championships are held on an annual basis and involve divers competing in the 14/15 year and 16-18 year age group.

In recent years, China has taken over from the United States as the top diving nation, winning three of the four gold medals at the 1996 Atlanta Olympic Games. Atlanta was also the first Games in 84 years in which the USA team failed to win a gold medal in any diving event, where Russia won the only other available gold.

Diving at the Olympic Games

Diving first featured on the Olympic program in St Louis in 1904 when a platform event and a plunge for distance event were conducted for men. The plunge for distance event has never again been featured at an Olympic Games. Men's springboard was added to the Olympic diving program in London in 1908, while women's platform was included in Stockholm in 1912 and women's springboard in Antwerp in 1920.

The recent addition of synchronized diving for the 2000 Games is the first change in the Olympic diving program since the Paris Olympic Games in 1924. The entire Olympic program now consists of the ten metre platform and three metre springboard for men and women and synchronized ten metre platform and synchronized three metre springboard for men and women - a total of eight medal events.

Diving in Australia

Although dozens of Australians have dived at the Olympic Games, only Richmond 'Dick' Eve has won an Olympic medal. Eve won the gold in the Olympic plain diving event in the Paris 1924 Olympic Games, where he also finished fifth in the springboard event.

The governing body for the sport of diving in Australia is Diving Australia. Their head office is based in Brisbane at the Sleeman Sports Complex in Chandler, Queensland. The Association was incorporated in 1980 as the Australian Amateur Diving Association Inc. and has undergone two name changes, first to the Australian Diving Association in 1982 and finally to Diving Australia in early 2000. Registered participants currently number approximately 2 500.

Origines du plongeon

Le plongeon se développa en Europe grâce à la popularité de la gymnastique. En été, les gymnastes pratiquaient leurs prouesses acrobatiques au-dessus l'eau devant un public enthousiaste. De fait, dès le XIX^e siècle, le plongeon fut reconnu en tant que sport à part entière.

Le plongeon de nos jours

De nos jours, le plongeon est un sport très apprécié, et plus de 40 pays participent à des compétitions internationales. Outre les Jeux Olympiques, le plongeon est représenté aux Championnats du monde, tous les deux ans, aux côtés de la natation, de la natation synchronisée et du water-polo. La Coupe du monde de plongeon est également organisée tous les deux ans. Quant aux Championnats du monde juniors, ils ont lieu tous les ans, et s'adressent aux plongeurs de 14 à 15 ans, et de 16 à 18 ans.

Ces dernières années, les plongeurs chinois ont supplanté leurs homologues américains, en raflant trois des quatre médailles d'or à l'occasion des Jeux Olympiques d'Atlanta en 1996. C'est également la première fois en 84 ans que les Etats-Unis n'ont remporté aucune médaille d'or dans les épreuve de plongeon. La quatrième médaille d'or fut décrochée par la Russie.

Le plongeon aux Jeux Olympiques

La première apparition du plongeon aux Jeux Olympiques remonte à 1904, à St Louis. On y organisa des épreuves masculines de haut vol et de plongeon de distance. Cette dernière épreuve ne figura plus jamais au programme olympique. Par la suite, furent ajoutées une épreuve masculine de tremplin à Londres, en 1908, une épreuve féminine de haut vol à Stockholm, en 1912, et enfin une épreuve féminine de tremplin à Anvers, en 1920.

L'introduction du plongeon synchronisé aux Jeux de Sydney 2000 est la première modification apportée au programme du plongeon depuis les Jeux Olympiques de Paris, en 1924. Le programme olympique complet est constitué à présent des épreuves masculine et féminine suivantes : haut vol 10 m, tremplin 3 m, plongeon synchronisé 10 m et plongeon synchronisé 3 m, soit un total de 8 épreuves donnant lieu à des médailles.

Le plongeon en Australie

Sur les douzaines d'Australiens qui participèrent aux compétitions olympiques de plongeon, seul Richmond « Dick » Eve réussit à décrocher une médaille : à Paris, en 1924, il remporta l'or pour l'épreuve de plongeon libre, et se classa cinquième à l'épreuve de tremplin.

L'Australie est considérée comme l'une des nations dominantes du Commonwealth pour le plongeon. La Fédération Australienne de Plongeon (*Diving Australia*) est l'organisme principal chargé de ce sport. Son siège social est situé à Brisbane, dans le Queensland, au sein du complexe sportif Sleeman de Chandler. L'association s'est constituée en société en 1980 sous le nom de Australian Amateur Diving Association Inc., pour se rebaptiser Association Australienne de Plongeon Amateur en 1982, et enfin Fédération Australienne de Plongeon (*Diving Australia*), au début de l'an 2000.

La Fédération compte actuellement environ 2 500 membres.

Diving Australia

Télécopie : (61 7) 3823 1363

The Olympic aquatics competition will be held from Saturday 16 September (Day 1) to Sunday 1 October (Day 16). It will include the disciplines of diving, swimming, synchronized swimming and water polo. Competition in all disciplines will be held at the Sydney International Aquatic Centre, Sydney Olympic Park (SOP). Water polo will also be held at the Ryde Aquatic Leisure Centre, Gladesville.

There is no quota on the number of competitors in either swimming or diving, however, there are quotas for both water polo and synchronized swimming.

Competition Format

The Olympic diving competition will consist of eight events. Four of these will be individual events:

Men	Women
3m Springboard	3m Springboard
10m Platform	10m Platform

Each of these events will consist of preliminaries, semifinals and finals. Diving order in the preliminary rounds will be determined by computerised random selection. The 18 divers with the highest scores in preliminaries will compete in the semifinals. The 12 divers with the highest combined preliminary and semifinal scores will compete in the finals. The final score is a combined total of the dives with limit from the semifinal and the dives without limit from the final.

For the first time in Olympic history four synchronized diving events will be added to the Olympic diving program:

Men	Women
Synchronized 3m Springboard	Synchronized 3m Springboard
Synchronized 10m Platform	Synchronized 10m Platform

Each of these events will be run as a final, with a total of eight pairs competing in each of the finals. Diving order in the synchronized finals will be determined by computerised random selection.

Rules of Diving

The diving competitions at the Sydney 2000 Olympic Games will be held in accordance with the rules of the *Fédération Internationale de Natation Amateur (FINA) Handbook 1998-2000* and the Olympic Charter which are in force at the time of the Sydney 2000 Olympic Games.

Pursuant to the Olympic Charter, the FINA assumes the responsibility for the technical control and direction of its sport at the Olympic Games.

The Technical Officials for the competitions will be the FINA Bureau (Jury of Appeal), FINA Technical Diving Committee and Officials from FINA affiliated federations including those in Australia.

A Commission shall be appointed consisting of the Diving Technical Delegate and the Chairman and Honorary Secretary of the Technical Diving Committee.

Protests and Appeals

Protests are possible and shall be resolved under FINA rule GR 10.3. Protests must be submitted to the referee in writing by the Team Leader with a deposit of 50 Swiss Francs within 30 minutes following the conclusion of the respective event. All protests shall be considered by the Referee. The Commission shall consider appeals against decisions by the Referee and give recommendations to the Jury of Appeal, whose decision shall be final. Note: Diving allows a verbal protest to be lodged immediately following a dive.

DRAWS

The starting order for diving preliminaries for individual events and finals for synchronized events will be determined by a random draw at the Team Leaders' meeting.

Les compétitions olympiques de natation se dérouleront du samedi 16 septembre (jour 1) au dimanche 1^{er} octobre (jour 16). Elles comprendront les épreuves de plongeon, de natation, de natation synchronisée et de water-polo. Pour toutes les disciplines, les compétitions auront lieu au Centre international de natation de Sydney, dans le Parc olympique. Les compétitions de water-polo auront également lieu au Centre de natation de Ryde.

Il n'y a pas de quota pour la natation et le plongeon. Cependant, des quotas seront appliqués pour le water-polo et la natation synchronisée.

Les compétitions olympiques de water-polo comprendront deux épreuves, l'une masculine (12 équipes de 13 nageurs) et l'autre féminine (6 équipes de 11 nageuses). Le nombre maximum d'athlètes pouvant participer aux compétitions de water-polo sera limité à 222 (156 hommes et 66 femmes). Un maximum de 104 nageuses (8 équipes de 8 nageuses plus une équipe de réserve et 16 duos) pourront participer aux compétitions olympiques de natation synchronisée.

FORTMAT DES COMPETITIONS

Les compétitions olympiques de plongeon consisteront en huit épreuves, dont quatre individuelles :

Hommes

tremplin - 3 m
haut vol - 10 m

Femmes

tremplin - 3 m
haut vol - 10 m

Chacune de ces épreuves comportera des éliminatoires, des demi-finales et une finale. L'ordre de passage des éliminatoires sera déterminé par tirage au sort par ordinateur. Les 18 plongeurs ayant obtenu le meilleur score aux épreuves éliminatoires accéderont aux demi-finales. Les 12 plongeurs ayant totalisé le plus de points à l'issue des éliminatoires et de la demi-finale disputeront les finales. Les points obtenus en demi-finale avec les plongeurs à coefficients limités seront cumulés avec les points obtenus au terme de la finale.

Pour la première fois dans l'histoire des Jeux Olympiques, quatre épreuves de plongeon synchronisé seront ajoutées au programme de plongeon olympique :

Hommes

plongeon synchronisé - 3 m
plongeon synchronisé - 10 m

Femmes

plongeon synchronisé - 3 m
plongeon synchronisé - 10 m

Chacune de ces épreuves sera disputée en finale uniquement, avec un total de 8 duos dans chaque finale. L'ordre de passage dans les finales de plongeon synchronisé sera déterminé par tirage au sort par ordinateur.

REGLEMENT DES COMPETITIONS DE PLONGEON

Les compétitions de plongeon aux Jeux Olympiques de Sydney 2000 se dérouleront conformément au règlement de la Fédération Internationale de Natation Amateur (FINA), manuel 1998-2000, et à la Charte olympique en vigueur durant les Jeux Olympiques de Sydney 2000.

En vertu de la Charte olympique, la FINA assume la responsabilité du contrôle et de la direction techniques de son sport aux Jeux Olympiques.

Lors des compétitions, le groupe d'officiels techniques sera composé des membres du bureau de la FINA (jury d'appel) et du Comité technique de plongeon de la FINA, ainsi que de plusieurs officiels des Fédérations affiliées à la FINA, dont les Fédérations australiennes.

Une commission, comprenant le délégué technique, le président et le secrétaire honoraire du comité technique de plongeon, sera constituée.

RECLAMATIONS ET APPELS

Les réclamations seront traitées conformément à la règle GR 10.3 de la FINA. Elles devront être soumises par écrit au juge-arbitre par le chef d'équipe, accompagnées d'une caution de 50 francs suisses, dans les 30 minutes suivant la fin de l'épreuve en question. Toutes les réclamations seront examinées par le juge-arbitre. Si une réclamation est rejetée, il sera possible de faire appel auprès de la commission qui, à son tour, fera des recommandations au jury d'appel, dont la décision sera définitive.

Remarque : en plongeon, une réclamation verbale pourra être faite immédiatement après un plongeon.

TIRAGE AU SORT

L'ordre de passage lors des éliminatoires des épreuves individuelles et des finales des épreuves de plongeon synchronisé sera déterminé par tirage au sort, lors de la réunion des chefs d'équipe.
